

DAY 85

OVERVIEW

The snapshot provides a comprehensive overview of the ongoing humanitarian crisis in Gaza as of 30 December 2023, including casualties, particularly among women and children.

Significant damage has been inflicted upon critical infrastructure and essential services, affecting people's ability to maintain their dignity and basic living standards.

This snapshot highlights reported figures on the impact of hostilities on people in Gaza, where a major humanitarian crisis has unfolded.

*Sources: MoH Gaza
